- Bearnaise - Red Wine Jus - Chimichurri -

Steak Frites, often referred to as "Steak & Fries," is a classic dish which we have paired with the finest of local produce. The steak, juicy & flavoursome. The French fries, thin cut & crispy, providing a perfect accompaniment to the ideal steak or fish dish.

Here's the clincher! You can enjoy bottomless fries and roll the dice again with another portion of Steak or Fish if you've got room for more!

Dessert of the Day

£9
